# New Web Member Services

Instant access to your prescription coverage

---

### Services designed for you

RxAmerica is dedicated to improving the health of our members and the quality of our service. As part of this commitment, we've made several improvements and new innovations to the Member Services portion of our Web site. These changes are designed to make our site simple to use and the information easy to understand.

### Information available online

- Locate network pharmacies
- Find any and all participating pharmacies within a specific zip code or by city and state
- Access mail order pharmacy services
- Research which drugs are covered under your plan
- Check copay information and look for generic alternatives
- Review your prescription history

- Look at your prescription history for up to 16 months, and access patient drug education information
- General health questions

### Registering is easy

Just have your member identification number ready (employee's social security number) and go to [www.rxamerica.com](http://www.rxamerica.com) and select "members", "member services", "Enter member services".

After a brief registration process, you will be able to create a unique login ID and password, which you will use to access the system in the future.

### Questions or suggestions

If you have any questions or suggestions about ways to improve our site, please contact us at [customer.service@rxamerica.com](mailto:customer.service@rxamerica.com) or call us at 800-770-8014.
