Self-Insurance Committee Newsletter – March 2011

Columbia Orthopedic Group

Good News! Effective 2/10/11, Columbia Orthopedic Group is now in the PHCS network. This means that services at Columbia Orthopedic will be paid at the In-Network benefit level.

Are you resigning or being released at the end of the school year?

If you are a teacher or paraeducator and are leaving at the end of the school year, please know that your health insurance coverage and all other benefits will continue through August 31, 2011.

This change in employment is considered a status event. Due to the status event, you will be able to change or cancel any of your benefits effective in June 2011. You may want to think about flex plan contributions in particular when considering changes for June. If you would like to make changes for June, please contact Teresa Kemp.

If we don't hear from you about making a change, we will keep all current benefits and deductions the same through August 31, 2011.
