"Baldwin School: Where Great Things Happen!"

The two-week winter break has come and gone. As I walk the hallways, I notice many examples of students' quality work displayed, verifying that our students returned to school with renewed energy and effort. Be sure to ask your child about a special writing piece or project which may be displayed either in the classroom setting or in our hallways. Better yet, ask your child to show you his or her displayed work the next time you visit Baldwin!

At this time of year, our Lost & Found receptacle tends to overflow with misplaced items, such as sweatshirts, gloves/mittens, hats, and coats. Yes, you read correctly...COATS! I shiver just thinking of any students waiting at those bus stops and playing outside at recess without those warm coats. Please encourage your child to look in all three sections' Lost & Found receptacles for any misplaced items. Some parents even write small reminder notes to their children in the assignment planner! Of course, you are welcome to stop in to look through the receptacles when you visit us.

DATES TO REMEMBER:

- Wednesday, January 30th - Parent meeting regarding the 4th grade girls' film - 6:30 PM in the Round Room.
