Star Guide Corner

Welcome to Baldwin North! I would just like to cover some of the small policies that we have in place to help ensure your students safety.

Attendance

If your student is going to miss school, you need to call the North Office, 228-7100 and let us know.

If you are needing to release your student during the school day,

you will need to send a note with them, giving us a time, date and reason for departure. If you do not send a note with your student you will need to come to the North Office to release the student. If they have a note, we will issue a leave the building pass and you will be able to pick them up at Circle Drive.

Bus Passes

If your student needs to ride a

different bus home with a friend, you will need to send a note detailing who they are riding with, where they are getting off and what bus they will be riding. If we don't have a note, we will not issue a bus pass. This is for student safety, we have no way of identifying parents over the phone.

Thank you for your assistance with these policies.
