

Box Tops and Labels Information

The school year 2006-2007 is in full swing and we are hoping for a record year for the Box Tops and Label collections! We will be collecting from the classrooms this week and will be announcing the individual winners of the '500 club' very soon.

The next contest will be over at the end of the first quarter, October 20. Whichever class collected the most labels per student will get a popcorn and pizza party! There will be a party awarded per grade – so there is going to be 4 lucky classrooms enjoying a great reward. So don't forget to get those labels turned into your classroom!

A reminder of the new Campbell's collection process

We need to be sending in the UPC Code of the Campbell's products now instead of the front panel. After December 1st they will not be giving us credit for just the front panels anymore. Please be aware of this change when collecting the labels at home.

Directions:

COOK beef and onion in skillet until browned. Pour off fat.
ADD soup, water, Worcestershire, cheese and pasta and heat through. Serves 4.

If every family tries this recipe just once Madison School would receive 300 Campbell's UPC Codes and \$30 from turning in the Hy-Vee UPC codes from the cheese and pasta.

Let's all give it a try and raise some more funds for OUR school.
