Finance Committee

Mr. Whicker explained that the district was 42% through the fiscal year, and that the Education Fund expenditures to date were 36.67% of the budgeted amount through November 2023. He also noted that the Tort Fund expenditures were at 61.02% of the budgeted amount, due to the annual premium for general liability and workman's compensation insurance being paid in July. Finally, he noted that Fire Prevention & Health Life Safety expenditures were at 495.40% of the budgeted amount, due to architect work for 2024 HLS projects having to begin earlier due to lead times with equipment. A budget amendment will be made towards the end of the fiscal year to bring the expenditures within budget.

The Building and Grounds Committee approved the next three-year cycle of Health Life Safety projects earlier this year. The district would look to sell Health Life Safety bonds not to exceed the amount of \$7.2M in late January or early February in 2024.
