

**NOTIFICATION TO THE PUBLIC CONCERNING
ASBESTOS WITHIN THE SCHOOL DISTRICT**

2020-2021

The following information is provided accordance with the Asbestos Hazard Emergency Response Act (AHERA) and the Board of Education of the District. This notification has the intent to inform workers, building occupants and their legal guardians of activities related to asbestos containing building materials in the school. Copies of the inspection reports and documentation of response action activities are included in the Management Plans. Management Plans are available for inspection during normal office hours in each school in the district and at the district office.

Periodic surveillance is conducted at least every 6 months as long as asbestos materials remain in the building(s).

The District will continue its efforts to maintain all remaining asbestos containing materials in an intact state and undamaged condition.

School maintenance and custodial personnel have received the required asbestos awareness training.
