

Important Announcement Regarding Your Egyptian Trust Laboratory Benefit with Blessing Health System

We appreciate your patience as we have been working on a solution to create a special lab draw service for the employees of Quincy Public Schools. Today, we are very pleased to announce a partnership between QPS and Blessing Health System. The kick-off of this relationship will occur on April 15th, 2020.

A few weeks ago, we facilitated an agreement between Blessing Health System and Quest Labs. Blessing will set up a special collection site operating at convenient hours to draw and ship your labs to Quest.

Your labs will be covered at 100% with no out-of-pocket expenses if you participate in any of the M series plans. H series plans are still subject to a deductible by Federal Law but will enjoy tremendous savings on the cost of labs.

Because of the special handling and processing of these labs, A SPECIAL DRAW LOCATION must be used. This means all labs at Blessing do not qualify for 100% coverage.

You will need to present your school district ID as this is a special accommodation for QPS employees and family members covered by the Egyptian Trust.

We would like to extend our gratitude to Blessing Health System in delivering this great news. We look forward to a long partnership together.

Instructions:

- Please bring your Quest lab order from the provider to the Blessing Diagnostic Center, located at 927 Broadway (West Entrance).
- Hours: Monday - Wednesday 6:00am - 6:30pm and Thursday 6:00am - 3:00pm
- Walk-in appointments
- Bring your school ID to the appointment

Blessing Health Center West
927 Broadway • Quincy, IL 62301
