

## SCHEDULE CHANGES FOR 2ND SEMESTER

Before you leave for Christmas break students should double check their schedules for 2nd semester for any changes. Students are allowed to change elective classes the first 3 days after school resumes. Teacher changes, lunch changes, and requesting certain classes during certain hours are not acceptable schedule change requests and will not be honored. Please see your counselor with any questions about scheduling!

## IMPORTANT FINAL EXAM NOTES

- All graded classes (exceptions below) will administer a final exam worth 10% of the semester grade.
- Students do not need to attend the final exam session for Homeroom, Lunch, Study Hall, Resource, and Teacher/Office Assistants. Parents do not need to call in to excuse students from these courses. Students should check with their Open Learning Center and Credit Recovery teachers about attending these sessions during Exams.
- Attendance is required for all other Exam sessions, and students must stay for the entire session.
- If there is a Snow Day during Finals, the schedule will be pushed back one day. This may extend Exams to after the Christmas Break.
