

Directions to complete consent forms

State of Illinois Certificate of Child Health Examination: This is the Back to School physical form for grades K, 6 and 9. The parent/guardian must complete the health history section of the form, sign and date. Completed forms must be with child at the time of service. This is a free service. Insurance and payment information is not needed. (This form will satisfy the need for a sport physical for during these years. Therefore, no IESA IHSA sports physical form needs to be completed on these years: K, 6, 9)

ACHD School Immunization Consent Form: Parent/guardian must complete the front page of the document stopping at the office use section. They must also fill out the second page screening questions and initial at the bottom of the second page. Completed form, a copy of the child's insurance/ALL KIDS card, and a copy of the child's past immunization record is required. ***These forms must be submitted to the ACHD one week prior to event to verify insurance and I-CARE status.***

IESA IHSA Sports Physical Form: Parent/guardian must complete the front page of this document. Athlete and guardian signature required. Completed forms must be with child at the time of service. This is a free service. Insurance and payment information is not needed. This form will satisfy sport physical requirements.

SIU Consent and Release for Screening: Required form by SIU for any free physicals. SIU will need this on file for 7 years.
