#### 2. **Committee Discussion Items**

- **Annual Report: Mid-Year Student Measure of Improvement Report**

Kim Dinkheller, Director of Curriculum, Instruction and Assessment, reviewed the Student Growth Report. This report tracked local assessments, baseline, fall and winter data for students PREK through eighth grade. The report looks at letter and number recognition at ECFC, and NWEA MAP scores in math and reading for students in kindergarten through eighth grade. The report also looks at science for students in sixth and seventh grades. Kim noted that there is a standard measure error of 3 points up or down. The report shows that overall the district is seeing student growth.

There was also discussion on the Student Discipline First Semester Trend Data that Kim presented to the committee.
