ECFC Families,

All new students entering Early Childhood and Family Center, Pre-K, Head Start, and Special Ed programming are required to have a physical exam dated after August 20, 2019, and current immunizations on file prior to **October 15, 2020**.

If this health requirement is not obtained before October 15, 2020, your child will **NOT** be able to attend school after that date.

A dental exam that has been completed within the last year will also be required.

When these requirements are completed, please send documentation to the ECFC Nurse's Office. Documentation of health records may be faxed to (217) 221-4812.

This only applies for the 2020-2021 school year due to COVID-19.

We appreciate your prompt attention to this matter.

Sincerely,

Cynthia Ott
