

Evening Edgenuity Lab

- Ms. Hollman and Mrs. Kelle will oversee the evening lab
- Open to 9th-12th grade students at ABC and ACRSS
- Begins Tuesday, September 8th
- Every Tuesday and Thursday from 5:30-7:30 PM
- Held in room 103 at ABC/ACRSS (Ms. Hollman's room)
- All students must wear a mask
- Parents must wait until student has their temperature scanned to determine if they can enter
- Students that have a temperature of 100 degrees or more (99 on the wrist thermal scanner) will not be admitted
- Students may come for the entire time or just stay for awhile
- Student transportation home must be arranged before arrival
- Teachers will meet students at the ACRSS main door at 5:30 pm
- Any student that arrives after 5:30 pm will need to knock on the outside door or window of room 103 and a teacher will go through the entrance procedure with the student before student can be admitted
- Students must arrive by 6:30 pm to attend the evening lab
- Teachers will leave if no are no students in attendance by 6:30 pm
- All Edgenuity expectations will be enforced in the evening lab
- Snacks will be provided
