

In Person Learning

What is In Person Learning: Learning that occurs when students and teachers are in the same physical space together.

Goal:

- Help students recover unfinished learning from spring 2020
- Support the development of instructional practices
- Ensure that each and every student continues to grow personally, academically and social emotionally.
- Provide a clean and sanitized environment for all
- Keep students, families, and staff safe and supported while meeting Social and Emotional and Academic needs
