

# What's happening with K-5 School Meals?

---

## Breakfast in the classroom

Breakfast will now be served in the classroom each day. A process is currently being developed which will allow you to pre-order breakfast. Once your child's breakfast has been ordered, it will be waiting in your child's classroom for when they arrive.

Elementary Breakfasts are \$1.25 Full Price or \$0.30 Reduced Price

**END THE MORNING  
STRUGGLE.  
EAT BREAKFAST AT  
SCHOOL!**

## Lunch in the classroom

Students will be offered hot lunches each day. Most students will have their lunches delivered directly to their classrooms; however each class will have opportunities to eat lunch in the cafeteria socially distanced.

We will have a simplified menu at the beginning of the school year with all of the fan favorites, but will be expanding our menu as we get into the swing of things.

Elementary Lunches are \$2.75 Full Price or \$0.40 for Reduced Price

## Free and Reduced Lunches

Many families are living in unprecedented times due to COVID-19. Some families that have never qualified for free or reduced priced lunches may now qualify if their income has been negatively impacted. Please check out this year's income guidelines to see if you may qualify.

A family of four can make \$48,470 per year and still qualify for discounted meals.
