QHS School Supply List 2021-2022

This is a general list. Students will be informed of any other supplies specific to their scheduled courses by their teachers during the first week of school. Laptops will be used on a daily bases. To help minimize sharing of computers and passing of paper in classrooms, QHS is encouraging all students who are able to bring a laptop to school everyday. While tablets are not a part of this document, newer Ipads should perform fine for what will be needed. Recommendations and specifications are listed below for laptops if you choose to purchase a laptop.

***Please note the following regarding specifications:
The two most important criteria are the processor and the Solid State Drive (SSD). Those two components make a huge impact on the usable life of a laptop.
We recommend users steer clear of devices with a Hard Dish Drive (HDD) rather than a Solid State Drive (SSD).
