

Quincy Senior High School

Winter Newsletter – 2023

Notes from the Principal, Jody Steinke...

First Semester flew by as did Winter Break. We are now staring down Spring Break. It will be a sprint to the end of the year and all that entails: Prom, Senior Awards Night, and Graduation. Below is some important information as we close the book on First Semester and prepare for the end of this school year.

- **Five Essentials** – Each year, schools across the State of Illinois administer the Five Essentials Survey to students and staff. They also ask parents to complete the survey. It provides valuable feedback to us to continue our school improvement journey. Please consider taking the survey at qps.org.
- **Scholarships** – There are a number of local scholarship opportunities available to our graduating juniors and seniors. Scholarship information will be available soon in the Counseling Office.
- **2023-24 Registration** – Counselors have been working hard to get students registered for next school year. If you have questions or concerns about this process, please reach out to your child's counselor.
- **Vaping** – We have a problem at QHS. Far too many students are bringing vapes and related devices into school. Some contain nicotine and some contain THC. Either way, school is not a place for these devices. Some students have lost an enormous amount of instructional time because of this. In addition, thousands of dollars in tickets have been written. We are going to redouble our efforts in this area as we push toward the last third of the school year. We also need your help. Please talk to your child about the many dangers and risks, including loss of school time and potential expulsion, that these activities represent. We also are lucky to now have a substance abuse counselor on site at QHS to help students with these issues. If you feel that your child needs this service and would be willing to meet with our substance abuse counselor, please contact your child's counselor or dean.
- **Parent Teacher Conference Day** – February 17th will be a half day of school and a half day for Parent Teacher Conferences. Conferences will run from 12:00 to 2:45. No appointment is needed, and teachers will be in their classrooms.
- **Senior Awards Night** – Senior Awards Night will be at 6:30 PM on Monday, May 22nd in the QHS Theatre.
- **Senior Event** – For over 70 years, parents of QHS seniors have planned a senior event. For many years, this was the All Night Party. Recently, it has been the Senior Picnic. This year, the parents have decided to a Senior Party at Flinn Stadium on Sunday, May 21st from 7:00 to 11:00. A lot of help will be needed to plan and organize. The next planning meeting will be on Wednesday, February 15th at 6:00 pm in D137 here at QHS. If you are unable to make that meeting but want to help, please email the committee at ghssenior2023@gmail.com.
- **Senior Meeting** – We will have our annual meeting with the senior class on Wednesday, March 1st during Third Hour in the QHS Theatre. Important information about Graduation will be shared at that time. It will also be emailed to families.

Updates from departments around QHS follow...

Notes from the Athletic Director, Matt McClelland...

What a great winter season it has been! All our winter sports have been having great seasons and are not finished yet! We started postseason events for both Pom and Wrestling this past weekend and will start Basketball Regionals action next week.

Some short highlights from each winter sport:

Boys Basketball: With our current record sitting at 20-4, 9-2 in the WB6 heading into the Rock Island game on Tuesday, our boys team is playing really well. No doubt the last few games of our regular season will challenge us and set us up for what we hope is another deep postseason run.

Cheer: Both our JV and Varsity Cheerleaders have kept our crowds going at our games this winter. QHS vs. QND is always one of our highlight games for the cheerleaders. They also had a chance to host their annual Lil Devils Cheer Camp on Sunday, February 5. They will perform at halftime of the JV game on Friday, February 10.

Girls Basketball: The girls' current record stands at 17-11, 8-5 in the WB6. We are having one our best seasons in recent years. The girls have been in the upper half of the conference standings all season and are currently sitting 3rd. We will start Regional play next Tuesday at Alton against Collinsville.

Pom Pon: The Q-City Pommers have put on great performances all winter long. The traditional "Light Show" is always a can't miss night before Christmas. We just competed at the IDTA Highland High School Regional Contest and finished fourth with 78.4 points, narrowly missing qualifying for state by 1.6 points.

Wrestling: Our wrestlers have picked up right where they left off last season. We won our Quincy Wrestling Tournament for the second year in a row and have not slowed down since. We placed 2nd in the WB6 Tournament, with 6 wrestlers earning All-Conference honors. We placed 2nd in the Alton Regional and are sending 11 wrestlers to the Sectional Championship in Normal.

Notes from Assistant Principal, Bill Sanders...

Thriving Minds

We are very excited to announce that we have partnered with Quincy Medical Group and Preferred Family Health to offer mental health services to our students on the QHS campus. The aforementioned groups were gracious enough to include QHS into a grant opportunity that embeds two people (one from Preferred Family and one from QMG) at QHS all day, every day. With this, we would like to welcome associate substance use counselor Madison Rees and behavior interventionist Harrison Clark to QHS. Their knowledge and support will be invaluable as we move forward offering more mental health support to our students and professional development to our staff. For more information, please see the attached flier or reach out to any counselor, dean, or administrator at QHS.

Safety & Security

We have three safety drills remaining for the school year. The types of drills and the dates are listed below. We continuously revise and look for ways to ensure the safety of everyone in our building. This includes random bag searches, metal detectors, security check-ins, and safety drills. We will always strive to implement best practices for safety and security and constantly look for ways to improve.

Tornado Drill/Shelter in Place Drill – February 23, 2023

Fire Drill/Evacuation Drill – April 4, 2023

Lockdown Drill – April 18, 2023

Attendance

School attendance is the key to success in high school and in future endeavors, be it college, career, or military. This includes excused and unexcused absences. Please help us get your son or daughter to school daily.

Late to School

If a student is late to school, regardless of how late and which hour we are in, the student needs to report to the attendance office to check in.

QHS SCHOOL WIDE TESTING

2nd Semester 2022-2023

MAP Testing will take place in our English I, English II, Algebra I, and Geometry classes. Winter MAP will occur during a week through January 3-February 3. Spring MAP testing will occur during a week through April 11-May 5. If a QHS student takes the MAP test this school year, scores will be sent home with the report cards following the end of second semester.

All Juniors will be taking the **Illinois Science Assessment**. This test will be administered at QHS on Wednesday, March 22nd for Juniors with the last name A-K and on Thursday, March 23rd for Juniors with the last name L-Z. This test will occur during the regular school day. More information to come.

QHS will be administering the **SAT/PSAT** on Wednesday, April 12th. Freshman will be taking the PSAT 8/9, Sophomores will be taking the PSAT 10, and Juniors will be taking the SAT. SAT/PSAT testing is a mandatory test for students in the State of Illinois. Any Seniors that did not sit for the mandatory test last year must take the test on April 12th. This will be required before any Senior can graduate. Students with accommodations may need to attend testing on multiple days. Students will be notified if this occurs. Seniors that have taken the SAT will have a College/Career Day (on their own). Seniors will not need to report to school on this day.

Any questions about testing contact your student's counselor or Kris Klingele.

Testing Assessments

Mark the following
dates on your
calendar.

Map

MAP testing will take place in our English I, English II, Algebra I and Geometry classes. Winter MAP testing will occur January 3-February 3, 2023. Spring MAP testing will occur April 11-May 5, 2023

ISA

All Juniors will take the IL Science Assessment. The assessment will occur on 3/22 for students with last name that start with A-K. 3/23 for students with last name that start with L-Z.

SAT/PSAT

April 12, 2023-All Freshman-Juniors will be taking the PSAT 8/9, PSAT 10 or SAT Test (IL mandatory state test for graduation).

QHS BLUE DEVIL CLOSET

What is old to one is new to you!

Our QHS Blue Devil Closet is officially open!

[You may be asking what in the world is the QHS Blue Devil Closet?](#)

QHS has opened a repurposing store for ALL our students at QHS. This is a new rave on college campuses. Our store will have name-brand clothes, jeans, shorts, jackets, shoes, wallets, ties, jewelry, and so much more. The items in the store do not cost anything. A student can only visit the store one time per week and can take up to two items per visit. A dressing room is provided in the room to try clothes on. We will have a staff member and students working in the store if help is needed.

Store Hours: Before School 7:10-7:25 am

During the School Day: Students must have a pass from a QHS staff member to enter.

Location: E135 (sign is posted in E1 hallway to help guide you)

***If you would like to donate new or slightly used teenage clothing or teenage items, please drop your items off to the front door security guards. If you have any questions, contact Kris Klingele.

History Department Update

World History

World History will be transitioning from the Middle Ages to the Renaissance in the coming days. We will be studying the Teenage Mutant Ninja Turtles and their awe-inspiring works of art. We will also be discussing the works of Shakespeare and analyzing how much Thomas More's *Utopia* is actually a utopia. We will cap it all off with King Henry VIII's six wives and why he will not be winning any husband-of-the-year awards.

US History

US History students are studying the Great Depression and the election (and re-elections) of FDR. World War II is looming on the horizon. We will study the American homefront and our involvement in the war, as well as the aftermath of the dropping of the atomic bombs in 1945.

AP US History students are learning about the Progressive Movement and World War I. This week they will play an online simulation as Canadian soldiers, hopefully surviving to the end. Unlike real soldiers, they can try again after that trench raid went poorly. A telegram home is generated after dying in action and a letter of commendation is sent once they finish the simulation. The record for telegrams last year was 7. Let us hope it goes better this time!

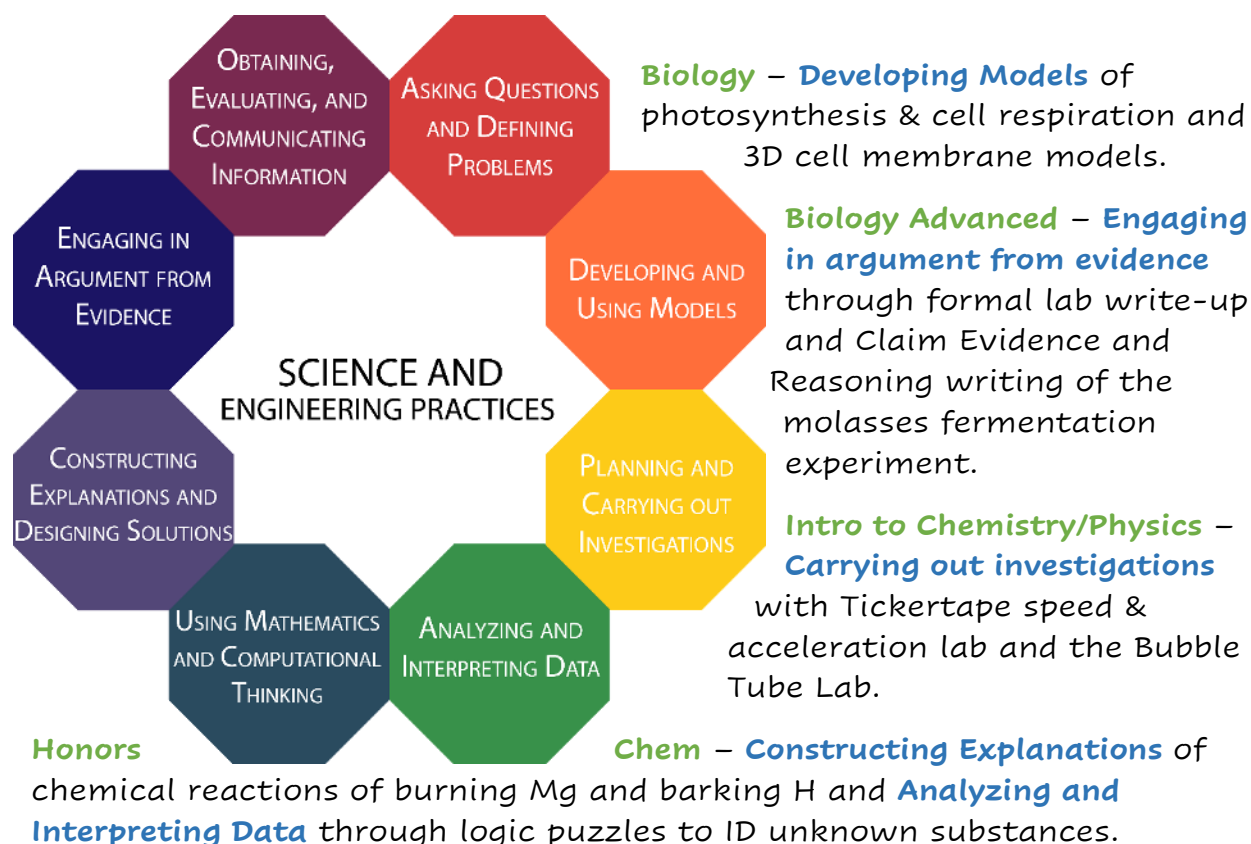

American Government

Students recently took their quiz on Article I of the Constitution, the legislative branch, where they studied the important actions/duties of Congress and created Treasure Maps that detailed how a bill becomes a law. Many of the projects turned out great! Students also engaged in the complicated process of drawing legislative districts in Illinois during our lessons about gerrymandering.

As we begin studying Article II, the executive branch, students will be playing an online game where they will have to run a successful presidential campaign, as well as learn about the Electoral College. In a few weeks, students will also try their hand at creating campaign materials for an election of their choice including campaign posters, campaign buttons, and campaign ads.

QHS Science Department News – Spring 2023

QHS Blue Devils have been working on improving their science skills this semester. The IL Science Standards include eight Science and Engineering Practices. Check out what we have been busy doing in class.

In the spring, the science department selects seniors who are leaders with consistent work ethic, citizenship qualities and a solid understanding of science content for four Senior Awards: general science, life science physical science and overall science student. Come to senior awards night to see who our award winners are for 2023.

ENGLISH DEPARTMENT UPDATE

English I students just finished their study of the memoir *Night* by Elie Wiesel. They will spend the next three weeks studying other personal essays from the text *Girls Write Now* and *Humans of New York* before writing their own “Humans of QHS” essay.

English II students began the semester with a narrative essay writer’s workshop. Students explored new writing techniques to showcase a story’s imagery, enhance characterization, and develop strong themes. Students then studied the 1920s in preparation for *The Great Gatsby* by F. Scott Fitzgerald. The novel encourages critical thinking and exhibits strong literary devices while allowing contemporary student connections.

Theatre students are currently exploring the world of acting. Students began the semester with vocal work including diction, projection, and inflection. Stage blocking, body positions, and stage directions gave students a foundation to begin duet scene acting. The month of February will be focused on monologue and audition techniques while March will focus on children’s theatre. Classes will perform a children’s theatre production for area preschool and elementary students as a part of the unit. Our class productions have been a long-standing theatre class tradition for over 40 years!

English III students in English III read and performed Arthur Miller’s *The Crucible* in October. Second semester in English III includes nonfiction work, SAT prep, and *A Midsummer Night’s Dream*.

All juniors will take the SAT on Wednesday, April 12.

AP Language and AP Literature students are working on their last few units before their AP tests in May. Students taking the AP test should take advantage of the following resources for free or low-cost test preparation:

- AP Classroom videos—These are aligned with unit skills and are taught by AP teachers who also work for the College Board.
- Garden of English—Timm Freitas has resources for both Lang and Lit students on his website and YouTube channel. He also has an ultimate review packet for Lang students for \$25.
- Coach Hall Writes—Coach Hall’s website and YouTube channel are geared more toward Lang students.
- Marco Learning—In addition to some free resources, like their Jumpstart Courses, Marco Learning also has Boot Camps beginning in April for each AP class. Each camp is \$49.

Students have been busy in QHS Math Classes! Below are some highlights:

- Algebra I: Students have studied functions and how to solve and graph equations and inequalities.
- Geometry/Geometry Advanced: Students have studied the relationships and properties of triangles, quadrilaterals, and parallels and constructed a town using their relationships.
- Algebra II: Students have studied quadratics, complex numbers, and radical functions and are currently exploring polynomial functions.
- Decision Making with Data: Students enjoyed a Barbie bungee jump project to end their unit on scatterplots.

Your student should be registering for courses for the 2023-2024 school year! Below is a graphic to see the next math course recommended for your student. The requirement for graduation is **three** math credits **received** in 9th to 12th grade. However, many colleges require students to have **four** math credits.

QHS Mathematics Department Suggested Course Sequence

Grade	Regular Sequence	Accelerated 1 Year		Accelerated 2 Years		
9 th	Algebra I	Geometry Advanced		Algebra II Advanced		
10 th	Geometry	Algebra II Advanced (Grades of A or B previous year)	Algebra II (Grades of C or D previous year)	Pre-Calculus Honors (Grade of A previous year)	Pre-Calculus (Grades of B or C previous year)	* Freshmen with a D or lower – retake Algebra II Advanced
11 th	Algebra II	Pre-Calculus Honors (Grades of A or B previous year)	Decision Making with Data (Grades of C or D previous year)	AP Calculus AB (Grades of A or B previous year)	AP Calculus AB (Grade of A previous year)	and follow the right side of Accelerated 1-year route

12 th	Decision Making with Data	AP Calculus AB or AP Statistics	Pre-Calculus or AP Statistics	AP Calculus BC (Grade of A previous year)	AP Statistics (Grades of A, B or C previous year)	
------------------	---------------------------	---------------------------------	-------------------------------	--	--	--

In December, the QHS chapter of National Honor Society inducted 48 new members. All new members have a 3.8 or higher GPA, participate in at least two activities through QHS, and have a minimum of 10 community service hours. We are very proud of all our new inductees!

Our NHS members closed out the year helping others and having fun! Our members made more than 60 scarves for our local elementary students in need!

We celebrated the end of the semester by hosting a volleyball tournament! This trend of fun and service continues as we kick off the new year by raising money and awareness for the American Heart Association with our Red Out event at the basketball game on February 10th.

FOREIGN LANGUAGE

It has long been the goal of the foreign language department at Quincy Public Schools to teach more than just the words in Spanish or German, but to teach the love of the culture. Some German students are experiencing the culture first-hand as they participate in a Pen Pal program with English learners in Herford, Germany! They will be writing one email a month in German to their pen pal, and then receiving an email back in English.

LOOKING BACK. . .

In November, our Spanish and German Club students took an amazing field trip to Truman State University, where we participated in the Classical and Modern Languages Festival. Students had a chance to learn how to dance the salsa, use Italian hand gestures, and count in Chinese, just to name a few of their experiences. Thanks to Truman, our students had an amazing day and the chance to see what the study of foreign language could look like beyond high school!

In December, the two clubs paired up again—this time to teach the children at Baldwin’s after school childcare about Christmas traditions in the German and Spanish cultures. Students played a traditional Spanish game, made a maraca while learning about the Puerto Rican tradition ‘parranda’, decorated Krampus masks after learning about this German character and made Christmas cards! It was a huge success, and we’re not sure who had more fun: the Baldwin students or the QHS students!

LOOKING AHEAD. . .

As more and more colleges are requiring two years of high school foreign language to get into college, please encourage your child to finish the end of his or her first year of Spanish or German strong—Level II is really challenging to students who finish Level I with deficits.

Did you know that many colleges and universities require two years of **COLLEGE LEVEL** foreign language classes to graduate college?

Encouraging your child to stay in their foreign language classes through levels III and IV will help because they will have the option of taking the class for Dual Credit through John Wood Community College. Ask your child’s counselor or foreign language teacher for more information.

An Update from your Counseling Department

You can now schedule appointments with your counselor online!

Please check Schoology or go to www.qps.org/qhs to book an appointment!

DID YOU KNOW?

National School Counseling Week: "School Counselors: All In for All Students," will be celebrated from Feb. 6-10th, 2023, to focus public attention on the unique contribution of school counselors within U.S. school systems. National School Counseling Week highlights the tremendous impact school counselors can have in helping students achieve school success and plan for a career. National School Counseling Week is always celebrated the first full week in February.

Registration for the 2023-24 school year is underway. Counselors will be registering your child during the following dates:

Class of 2024: February 8-February 28th

Class of 2025: January 17- January 27th

Class of 2026: January 17-January 27th

Class of 2027: (QJHS) Jan. 30- Feb. 3rd

Questions or concerns, call or email your child's counselor!

Each Graduating class has their own Schoology Page!

There is a lot of important information and reminders that go out to students on a weekly basis. Please encourage your student to show you this page!

Many questions can be answered by visiting Schoology!

QHS Counseling Website now complete!

Check out our awesome website for many helpful resources including: college, career discovery, scholarships, ACT/SAT info., mental health, and much more!

Visit our updated website for Resources on how to improve and take care of your mental health!

**SCHOOL
COUNSELOR**
I'LL BE THERE FOR YOU

QHS Music and Fine Arts

101st ANNUAL BAND AND ORCHESTRA CONCERTS

The Annual Band and Orchestra Concerts will be held at the end of February. This year marks 101 years for the programs. Both concerts will be presented in Morrison Theater at Quincy Junior High School.

The Band Concert will be held on Sunday, February 26, 2023 at 2:00pm. The Symphonic and Concert bands will perform with the 8th grade band musicians joining for a special feature.

The Orchestra Concert will be held on Monday, February 27, 2023 at 7:00pm. The Symphonic Strings and Concert Orchestra will perform with 8th grade string students joining as well.

Tickets are \$2 per person and will be available at the door. Audience members should enter through the main QJHS doors on 14th Street.

SADIE HAWKINS DANCE

The Annual Sadie Hawkins Dance will take place on Saturday, February 25, 2023 in the QHS Commons from 7:00-10:00pm.

The Sadie Hawkins Dance is one of the oldest traditions at Quincy Senior High. Sometimes called a “turnabout dance”, Sadie Hawkins Day recalls the comic strip “Lil’ Abner” and allows the ladies of QHS to ask the guys to accompany them to the dance. Everyone, however, is invited and encouraged to attend the dance. It is not necessary to have a date. Everyone should plan to dress in their “Hillbilly Finest” and prizes will be awarded during the evening for best dressed.

Tickets are \$5 per person and will be available at the door. Outside guests will need a Dance Request Form completed and a photo ID submitted to the Main Office no later than February 17. Those forms are available in the Main Office or at qps.org. ALL students should have their student ID to present as they enter for the dance. Doors at the event close at 8:30pm. If a student leaves the dance they will not be allowed to reenter.

SHOWCASE OF EXCELLENCE

Students, organizers, and music lovers of all ages will enjoy one of Quincy High School’s premiere events – The 30th annual Showcase of Excellence. This well-loved tradition will be held at Quincy Senior High School on Saturday, March 18 from 8:00 a.m. - 9:00 p.m.

The annual Showcase of Excellence competition attracts high school jazz bands and show choirs from across the region to showcase their musical talents during their performances and to work with expert clinicians. Proceeds from this fundraiser are used to support music education at all grade levels in the Quincy Public Schools.

The public is invited to enjoy a day full of performances at Quincy Senior High School, 3322 Maine Street. Single admission tickets are available at the doors. Tickets are good for all performances. Food is available throughout the day in the QHS cafeteria. The day will culminate with awards and a grand finale performance by the QHS Jazz Band and QHS Show Choir, “Electric Blue.”

Volunteers for the event are needed and donations are welcome! More information is available by calling the QHS Music Department at 217-224-3774.

LITTLE WOMEN

Quincy Senior High School's theatre department will begin 2023 with the classic Louisa May Alcott story, Little Women.

Set in the mid 1800's, four sisters Meg, Jo, Beth, and Amy take the audience on a journey of friendship, family, love, and loss. As the March sisters grow into young women, it is their mother, Marmee, who helps to set a good example and encourage independent thinking. At a time when it is not a woman's place to be independent, some of the sisters feel at odds with the world. Aunt March is a firm believer in the proper upbringing of young girls and manages to spark confrontation wherever she goes. Luckily, Mr. March supports his spirited daughters as does the generous and kind-hearted neighbor, Mr. Lawrence, and his grandson, Laurie.

The famous March sisters will be played by senior Clara Louthan (Jo), junior Lily Twaddle (Meg), and sophomores Gabby Hanchett (Beth) and Evie Tallcott (Amy). Marmee is played by senior Lexi Mero while sophomore Adelaide Teefey plays the family maid, Hannah. Juniors Colin Egbert & Aidan Hutton tackle the roles of neighbors Theodore "Laurie" Laurence and Mr. James Laurence. Freshman Elise Lindgren (Aunt March) & sophomore Miller Robertson (Mr. Brook) complete the principal characters. Other cast members include: Olivia Williams, Lydia Fisher, Tim Uppinghouse, Kelsi Vander Maiden, Maddie Daggett, & Lily Arrowsmith.

The production is under the direction of Meghan Buckley with David Buckley overseeing technical direction. Senior Ray-Ann Cook and juniors Emmaleen Robertson & Allison Stephenson will oversee stage management and Adelaide Teefey will serve as student director. Script adaptation is by Sandra Fenichel Asher. Show dates are February 9-10-11 at 7:00 pm in the Quincy Senior High School Theatre. Tickets are priced at \$8 for students and \$12 for adults. Tickets may be purchased online at www.qps.org/departments/music. For more information, please call the Quincy Senior High School Music Office at 217-224-3774.

49th ANNUAL HIGH SCHOOL STUDENT ART COMPETITION

The Quincy Art Center recently held their annual High School Art Competition. There were 375 entries and only 100 pieces were selected to be in the show. Our Quincy Senior High School art pieces were 18 of those selected. Special awards were presented to Lucas Dotson (Special Recognition) and Dawsyn Perry-Broekemeier (Merit). Thank you to Mrs. Brumbaugh, Mrs. McClelland and Mrs. Bock-Nelson for continuing to encourage and showcase our talented art students from QHS! Congratulations!

QUINCY AREA VOCATIONAL TECHNICAL CENTER

CELEBRATE TODAY,
OWN TOMORROW!

February is National CTE (Career and Technical Education) Month!

The entire month is dedicated to all of the great learning opportunities available in CTE.

What's happening at QAVTC?

- Our preschool leaders hosted a Family Game Night for their preschool families on Monday, February 6th. Preschool leaders are also learning how to do assessments on preschoolers.
- Construction Trades students are nearing completion of the house at 2909 Lind and the foundation is poured for their new project at 2907 Lind. Watch for more information regarding the sale of 2909 Lind soon.
- Health Occupations/HOSA students recently donated to the Ronald McDonald House after collecting over 100 lbs of soda can tabs. Alter Scrap added \$500 to their donation to make the total donation \$568.21.
- The Culinary Arts students have catered several events and competed in the Mart Heinan Chili Cookoff at QU. They received the prize for Best Booth at the chili cookoff.
- Graphic Design students are working with the Automotive Technology class to create t-shirts for the Automotive program.

Introducing our new EMT program!

In cooperation with the Adams County Ambulance Service, we started a new EMT program in January for high school seniors in Adams County. At the end of this course, eligible students will be able to take the test to become a licensed EMT. Thank you to the Adams County Ambulance Service for helping us provide this great opportunity to our students!

Congratulations to the following Rotary Student of the Month recipients!

<u>Month</u>	<u>Student</u>	<u>Teacher</u>
October	Jackson Mullet	Mrs. McKenna
October	Gavin Schumacher	Mr. Gregory
November	Wilson Henning	Mr. Bellis
November	Abigail Mueller	Mrs. Weiman
November	Allison Mueller	Mrs. Weiman
December	Gavin Schumacher	Mr. Loos
December	Trevor Kirlin	Mr. Armstrong
January	Dawsyn Perry-Broekemeier	Ms. Brown
January	Molley Rost	Mrs. Machold

Upcoming Events!

February 23, 2023 - FFA Auction: Join the FFA for their annual Auction in the QHS Cafeteria at 5:30 pm. This is one of their largest fundraisers of the year.

February 24, 2023 – HOSA Blood Drive: HOSA will sponsor a blood drive at QHS from 7:45 am to 12:45 pm in the QHS gym. Students must be 16 or older and 16-year-olds will need parent permission.

For more information about our programs, go to www.qps.org/qavtc and follow our Facebook page.
