www.qps.org/academy

Wow! What a great start to the 2022-2023 school year. It's hard to believe we are already at first quarter, midterm. On behalf of The Academy staff, I would like to extend gratitude for the supportive collaboration in effort to help each student reach specific AEP goals. We already have several students on track for graduation this December.

We will publish a quarterly newsletter to highlight a variety of resources, events, updates and celebrations. This first newsletter has been mailed to each family, however all future newsletters will be available on our QPS.org school website. The website will always be a source of current information.

If you are in need of any assistance during the school year, never hesitate to call our office at the above phone number.

SEL Curriculum

Part of what makes The Academy a successful learning environment and different from other schools is our Social Emotional Learning lessons in homeroom. Students learn skills to help them in real life. In September, we will be discussing their definition of friend/friendship, conflict resolution, active listening, when to give advice, how to apologize and more.

Careers

MajorClarity is a new program available to Quincy Public School 6th - 12th graders and it provides students information to explore career, military, and college options to pursue after high school. We will be introducing MajorClarity to students near the end of September. Parents will also have access to the information in their student's MajorClarity account via system emails to the email address provided during registration.

Reminders from SSFL's

Doors open at 7:20am. Breakfast is served from 7:30-7:50am. Class starts at 7:50am and students are dismissed at 2:00pm.

Attendance is vital for students to be successful at The Academy. If you need help with alarm clocks or bus transportation, please reach out to your students SSFL.
