

**BACK  
TO  
SCHOOL**

## A Message from Mrs. Cox

Welcome back or welcome to Denman! We are excited about this school year!

You will begin to see and hear about our House system in the coming weeks. Every student belongs to a house and remains in that house for the duration of their years at Denman. House shirt order forms went home today. We will have house color days at various times throughout the year.

As we begin to navigate our school year, I want you to know about the language we are using with your child(ren) at Denman both in and out of class. Our norm- **Use words and actions to keep ourselves and other safe: Our heart safe, our mind safe, and our body safe.** In a nutshell, we want to ensure that students use language and actions that keep our focus on learning and engagement.

Your child is encouraged to bring a water bottle to school. Outside of bringing a sack lunch, water should be the only drink brought to school. In a sack lunch, it is recommended that drinks be caffeine free.
