SUPERINTENDENT BOARD MEETING UPDATE

Superintendent McGuire shared appreciation for the warm welcome during his first four weeks in the district.

The Board recently approved **Mrs. Christina Meyer** as the incoming **Academy Director for the 2026–27 school year**. Mrs. Meyer currently serves as a Dean at Quincy Senior High School and previously taught English at QHS and served as an Athletic Director in another district. She holds a master's degree in educational leadership and will complete cross-training during the second semester. The superintendent noted that replacing strong leadership is never easy and shared that Ms. Wells' retirement will be celebrated at the end of the school year.

Mr. McGuire discussed recent **weather-related decisions**, noting his growing understanding of the complexity of district busing operations. He emphasized the district's philosophy of keeping schools open when possible, as school is often the safest place for students. He explained that recent cancellations, including one due to extreme weather and another due to a power outage at Rooney Elementary, were made out of an abundance of caution to ensure student safety. Families were promptly notified, and transportation staff confirmed students were not left waiting.

An update was shared on the first **Quincy Together** community engagement workshop, which attracted approximately 150 participants. District leadership provided an overview of the process, followed by small-group discussions that allowed attendees to share feedback and perspectives. Input gathered from the workshop will be reviewed and used to inform future engagement sessions.

The next community workshop is scheduled for **February 24**, with additional details available at **quincytogether.org**. Thank you to board members and staff--particularly Rachael Petty and Damian Dodd, for their leadership and facilitation of this important work.

Before Dorothy can visit the land of Oz, one tight-knit family must embark on an adventure across America to discover it for themselves. L. Frank Baum's spirited wife Maud recounts times of both laughter and tears on their journey together, as all the unique people they meet along the way inspire the magical characters Frank will bring to life in *The Wonderful Wizard of Oz*. As Maud reveals the man behind the curtain as the storyteller he is destined to become, the fantastical world of Oz is brought to life for audiences of all ages in this enchanting, heartfelt drama. This drama will run on February 12, 13, and 14 at 7:00 at the QHS Theater! Buy tickets online or at the door!
