FROM SUPERINTENDENT WEBB—BOARD MEETING REVIEW

Quincy School Board and the QF#809 have reached an agreement on a new three-year contract covering the years July 1, 2022 to June 30, 2025. Board President Ali called the agreement a smooth process with lots of good discussion. The focus was to create competitive, strategic salary moves to increase pay for all, but especially for those difficult to fill positions.

The Tom Lane Award for Support Persons of the Year was given to QHS Head Guidance Secretary Brandy Logsdon and Transportation Supervisor Andre Landson. The Dr. George C. Meyer Teacher of Year for Education Excellence was awarded to QJHS Earth Science Teacher Regan Smith. You can learn more about these individuals by watching the end of year celebration video.

The refunding or refinancing of the \$9.785 million in bonds issued in 2014 will save district taxpayers \$420,000 in interest.

Mayor Troup presented Superintendent Webb with the Quincy Gemstone in recognition of his leadership throughout the pandemic.

The end of the 2021-2022 school year is almost here. Thursday, June 2 is the last day of attendance for students and Friday, June 3 will be the last day for teachers. We will be celebrating staff with an end of year video highlighting events from each building during the past year and honoring each retiree. A link to the video will be provided on June 3.

Roy Webb
Superintendent

In other action, the Board approved:

- Resolutions on Tentative Amended Budgets for Special Education Association, West Central Region, Quincy Area Vocational Technical Center, and the District for 2021-2022. Hearing date is June 22, 2022.
- Escalating fuel price bid of \$633,462 from Energy Petroleum for the 2022-2023 year.
- Administrative and Non-Union contracts for July 1, 2022 to June 30, 2025
