## FROM SUPERINTENDENT WEBB—BOARD MEETING REVIEW

The Board approved the appointment of Dr. Todd Pettit as Assistant Director of Music and Fine Arts for the 2019-2020 school. He will work with Director Kathi Dooley prior to her retirement in June 2020. Todd is a Quincy native and a graduate of Quincy High School and Quincy University. He received his Master of Education Degree from Indiana University and his Doctorate from St. Louis University. For the past seven years, he has served as the principal of Kreitner Elementary School in Collinsville, Illinois and prior to that, he was an assistant principal in Collinsville. He has been a music education specialist in the Collinsville District and in Indianapolis, Indiana. He has served as a director of music at several churches and community organizations. Todd said he is eager to return to his family and hometown to share skills, expertise and educational leadership to enhance Quincy's renown music program. He is looking forward to once again becoming a member of the Blue Devil family and continuing the strong tradition of excellence in the QPS music and fine arts programs.

Brad Funkenbusch was appointed to replace Cindy Crow as principal of Iles Elementary School for the 2019-2020 school year. Brad has been with the District since 2006. He was a teacher at Baldwin School and principal at Dewey School for five years prior to the school closing last year. He is currently the School Administration Manager (SAM) at Lincoln-Douglas Elementary.

Other leadership appointments for 2019-2020 include Kim Mast as Reading Recovery Teacher Leader and Academic Intervention Coach. Erica Maynard has been appointed as Assistant Director of Curriculum/Instruction and Assessment. Sara Cramer will be the Early Childhood Director, working with Julie Schuckman next year prior to her retirement in June 2020. Tammy Stegeman has been appointed as the SAM at Baldwin School.

The Board approved a grade weighted course approval process for QHS. A committee will review approval forms which must be submitted by November 15, 2020 for the 2020-2021 school year. The committee will look at rigor and content in determining whether the class should be grade weighted or if it needs revision. After initial approval, all grade weighted courses will be reviewed every third year or when a teacher change occurs. Advanced Placement and Project Lead the Way courses do not need to submit an approval form. The course catalog will include information about grade-weighted classes.

The end of the 2018-2019 school year is almost here. Wednesday, June 5 is the last day of attendance for students. On June 6, teachers and support staff will celebrate the end of the year at 8:30 a.m. at QJHS. Retirees will be honored and some special awards will be presented. Staff will be back in their buildings by 10:30 a.m. to finish the day. Enjoy your summer!

*Roy Webb*  
Superintendent
