## FROM SUPERINTENDENT WEBB—BOARD MEETING REVIEW

The District Improvement Committee held its first meeting last week. The committee combines the Curriculum and Discipline Committees with the District Improvement Team. Each school presented their School Improvement Plans which outlined their strengths, student growth, areas to improve, goals and “hot rocks” (priority areas of focus). Each school will work on the Board goals of student achievement and staff retention/morale. The school plans were developed based on the District Improvement Plan which outlines more autonomy for principals and freedom to innovate for teachers in the classroom. Central office will support, facilitate and provide resources but will not control *how* students are taught. The new committee will meet quarterly to present updates on the school improvement plans, student achievement, attendance, and discipline. The Board approved the School Improvement Plans as presented.

The Board recognized Rifle Team Coach Jim Holtman, Assistant Coach Ben Trapini and team members Jonathan Kuhn and Gabe Giffin. Jonathan and Gabe were invited to train and compete at the Junior Olympics training facility in Colorado. President Ali said the Rifle Team is a flag ship program and an excellent representative of QPS and the Blue Devil spirit.

Evie Morrison has been named QAVTC/WCR Director. Evie has been a math teacher at QHS. Her background includes owning her own business and technology consulting. She is well suited for the position. She replaces Kaleb Smith who is moving out of the area. Evie said she has worked with Kaleb during the past few weeks and is excited about this new challenge.

An update on the new Baldwin and Denman Elementary Schools was presented. There is still some work to be completed. Furniture has been delivered and installed at both schools. Floors are being waxed, playground equipment installed, and landscaping is in. Teacher move-in day is July 8 for Baldwin and July 15 for Denman.

The Board approved the agreement with the International Brotherhood of Electrical Workers Local No. 34. The contract is effective July 1, 2019 through June 30, 2022. The Union includes maintenance and mechanic employees.

Have a happy and safe July 4th!

Roy Webb  
Superintendent
