UPDATE

AUGUST 17, 2022

FROM SUPERINTENDENT PETTIT BOARD MEETING REVIEW

We kicked off the 2022-2023 school year with the first in-person gathering since 2019 with an electric atmosphere and a positive start to a great year! First day transportation routes went very well with limited issues, and we are grateful for the patience of parents as we work out the bumps in the road. Work on the new board office roof is underway with delays in getting materials pushing the project completion to mid-September. The final phase of renovation work at Quincy Junior High School wrapped up over the summer and the QHS stage curtain and rigging is on schedule to be completed prior to the fall musical.

The Board approved the Resolution on the Tentative 2022-2023 District Budget. Chief of Business Operations, Ryan Whicker said the tentative budget includes a 4% increase in salary for most staff, with increases for paraeducators, transportation, food service and security workers to make those positions more competitive under the latest collective bargaining agreement, and a 23% increase in health insurance benefits, which is significantly higher than in recent years. The Board will adopt the budget at the September 21 meeting.

With Blue Devil pride,

Dr. Todd Pettit
Superintendent

In other action, the Board approved:

- ♦ 2022-2023 Special Education Association Budget
- ♦ 2022-2023 QAVTC Budget
- ♦ 2022-2023 West Central Region Budget
- ♦ MOU for SRO with City of Quincy Police Department
- ♦ Named Board Member Ali to the Finance Committee
- ♦ Added Rick Ehrhart as a member of the Building Committee
