FROM SUPERINTENDENT WEBB—BOARD MEETING REVIEW

The Board approved the resolution on the amounts necessary to be levied for 2021. Chief of Business Operations Ryan Whicker stated that he based the tentative tax levy on a 4.99% increase in EAV. Early EAV estimates are showing growth of about 3.5%, but property value assessments are still taking place. The calculation shows a total tentative tax rate approximately 3 cents lower than in 2020. The School Board will finalize the levy in December. Ryan Whicker informed the board that the anticipated tax rate will stay stable or show a slight decrease to \$3.95.

The audit report for 2020-2021 showed no findings for the third year in a row which is quite an accomplishment. Mr. Whicker credits a team effort across the district.

The board also approved the sale of surplus property of 350 Dell Latitude laptops to Tek Savers for a total purchase price of \$78,750. Purchase price includes all shipping costs and packing materials.

Bass Fishing as a new IHSA sport at Quincy Senior High School was approved by the Board.

Policies from Policy Reference Education Subscription Service from November 2021 were laid on the table for review. The Hate Speech Policy recommended by the Diversity and Inclusion Committee was also laid on the table and will be placed in handbooks upon approval by the board.

Many are looking forward to the Thanksgiving basketball tournament as it will be exciting with the band, blue devils, pom and cheer squad all back in action. Enjoy your Thanksgiving break and stay safe.

Roy Webb
Superintendent

Thank you to the QHS Music Department students and staff for the incredible talent displayed during the presentation of The Wizard of Oz. What an amazing production from the sets, costumes, flying, live music and more!

PERSONNEL

Appointments/Change in Assignment
