Merry Christmas from the Board of Education Staff

December 15, 2021

FROM SUPERINTENDENT WEBB—BOARD MEETING REVIEW

New Board Members, Latonya Brock and Rachael Petty, were presented with the blue devil coin. Their service and unique perspectives will be a huge asset during these tough times. Many people don't realize that board members are uncompensated and commit to many selfless hours with the hope of making our community a better place for students and staff.

The Board agreed to work toward obtaining a strip of land from the Quincy Park District to consolidate the transportation department at Flinn Stadium. Plans call for a new building and additional parking for buses. Board member McNay's projected timeline is to have the project completed by June 2023, which would allow time for the transportation department to transition to the Flinn Stadium during the summer and for the maintenance department to move into the 20th Street site.

The Board approved the following school calendar for 2022-2023.
