

UPDATE

July 21, 2021

FROM SUPERINTENDENT WEBB—BOARD MEETING REVIEW

The Quincy School Board adopted the back-to-school plan that includes:

- Masks are not required outdoors. Masks are not required in most indoor settings for vaccinated individuals. Masks are highly recommended for indoor settings for unvaccinated individuals.
- Masks will be required on school buses, based on CDC guidance, and in large gatherings or assemblies
- In-person learning for all student attendance days in pre-kindergarten through 12th grade.
- Social distancing, with three feet as the goal, in classrooms and hallways.
- Students and staff with COVID symptoms stay home.
- Unvaccinated students will be placed in quarantine if they are in close contact to a positive COVID person. Vaccinated people will quarantine if they show symptoms.
- Locker use at the junior high resumes.
- Lunch will be served in school cafeterias, with six lunch periods at QHS. Breakfast for K-8 students will be eaten in classrooms; high school students will eat breakfast in the cafeteria.
- Busing fully resumes, with capacity still listed at 50 passengers and masks required.
- Most clubs, athletic events and music events return to a traditional schedule.
- Volunteers, presenters, parents and special guests will be welcome in Quincy Public Schools.
- Field trips will be used on a limited basis.
- Special care continues with cleaning all student facilities.

The district is prepared for change if the virus spreads more and will be constantly adjusting based on consultations with the Adams County Health Department and our Board of Education.

Staff return August 16 and 17 for in-service days and our students first day will be August 18.

Year three renovations of a four-year project at Quincy Junior High School are expected to wrap up August 6. The Board Office parking lot substantial completion date is September 7.

Roy Webb
Superintendent
