UPDATE

AUGUST 18, 2021

FROM SUPERINTENDENT WEBB BOARD MEETING REVIEW

The 2021-2022 school year is officially under way along with the organized chaos brought about by lots of excited parents, students, and staff.

Superintendent Webb reported the QJHS elevator repair is complete and the board office parking lot is finished other than some areas that are blocked off for to finish landscaping.

The Quincy Senior High School Trap Shooting Team was approved by the Board. It will be run by Eric Nicholson at no cost to the district, and conservation officers will assist.

The Board approved the Resolution on the Tentative 2021-2022 District Budget. Chief of Business Operations, Ryan Whicker, explained that the tentative budget was prepared with a conservative approach regarding revenues and expenditures. He noted that the budget will be fluid over the next month, as some estimates are still being finalized. He said the assumptions for the tentative budget include that the district receives an additional \$501k in local property taxes, an additional \$375k in EBF, Corporate Property Replacement Tax remains flat at \$5.4m, and that the district receives the equivalent of a full year's worth of state mandated categorical payments. The large increase in Federal funding is due to the ESSER I/II grants. The district anticipates receiving an additional \$2.8M in federal funding in FY 2021-22. The budget also incorporates a 3% increase in salaries, 1% TRS benefit paid by the district or 0.5% IMRF benefit paid by the district, and a 10% increase in health insurance benefits. Overall, the 2021-22 Tentative Budget is an \$85.7M which is a balanced budget. Finance Committee Chair Mr. McNay reported that due to federal funding tied to COVID-19, the district budget is balanced for the 2021-2022 school year; however, we must be prepared for future years when we may not have revenue to offset expenditures due to mandated wage increases. The Board will adopt the budget at the September 22 meeting.

Board Member Carol Nichols said there will be an inscription added to the plaques at each elementary building in memory of David Wombles. David was a liaison between the Quincy School Board and the construction companies for the building of the five new elementary schools.

The Board continued to hear concerns from community members about masking at last night's meeting. The Board will take steps to follow guidelines put in place and enforce them.

Roy Webb
Superintendent
